Local Government Update

Feedback sought on draft Annual Business Plan

Council has approved the 2021/22 draft Annual Business Plan to go out for community consultation.

The plan, which is 116 pages long, includes a proposed increase of residential rates of 1.2% which is based on the CPI as of March 2021. Council is claiming that the increase proposed is one of the lowest council rates increase in South Australia for the 2021/22 period.

Council is planning to spend over \$205 million in the 2021/22 period, with \$11 million dedicated to major projects including \$800,000 for sports facilities in Aldinga adjacent to the new Aldinga Payinthe College.

Council is also expected to incur \$13 million in new borrowings with the total level of council debt likely to be \$117 million this financial year and is expected to continue to grow to \$138 in 2023/24 before beginning to stabilise. It is expected based on current projections that the council will reach zero net debt in 2041.

The council is expected to have an operating deficit of over \$4 million for 2021/22 however this is down on nearly \$6 million for the 2020/21 Budget.

Consultation on the plan will remain open until 10 May 2021 and feedback can be provided by the council's YourSay page.

Councillor Questions Aldinga Library Costs

Councillor Martin Bray raised at the 26 May Council meeting, the ongoing rental costs of the Aldinga Library and any impact the Sports facilities attached to the new Aldinga Payinthe College might have.

Cr Richard Peat led opposition to the motion pointing out that the community had not had any consultation. Cr Wayne Olsen then went on to declare that opposition to the motion was "fear mongering" and that a report would not move services out of Aldinga.

Other Councillors raised issues with the wording of the motion. Debate over the motion got so heated that council is now investigating the comments made by an elected member. While Coastal Views was not present at the Council meeting, it is believed that the comments related to the information that was used in decisions relating to the Aldinga Library.

The council has posted on their YouTube channel that the full video will be released "if and when the comments can be verified." The motion was lost.

Calls for "30 Year plan to Greater Adelaide" review

Cr Richard Peat has asked for the support of the Greater Adelaide Region of Councils to request a review of the "30 Year Plan for Greater Adelaide" to take into account recent changes in population growth and residential developments in South Australia, particularly in light of COVID-19.

Cr Peat has asked that the review also considers the impacts on the environment and biodiversity, climate change mitigation, water resources and hazard/disaster resilience.

The motion came after calls by local Environmentalist Matt Farrell called for consideration of the impacts proposed developments in Sellicks and Aldinga would have on our environment and biodiversity. Mr Farrell believes that residential developments are being proposed for our area are based on outdated projects contained in the plan and that the consequences of these developments.

The motion, which was seconded by Cr de Graaf, was passed with the unanimous support of all Councillors.

Martindale Hall up for privatization

Despite going to the 2018 State Election stating that then Opposition Leader, Steven Marshall did not have a privatisation agenda, the Liberal Government has introduced a bill into the South Australian Parliament which would end the Martindale Hall Conservation Park, allowing for the historic hall to be privatised.

According to the National Trust of South Australia which manages over 120 heritage places in South Australia, the move “is an unprecedented attempt to remove the future control and management of one of our most cherished heritage places”.

The Trust had put forward a plan in 2016 to boost the tourism opportunities for the site while preserving it’s original character.

The hall, which was made famous by the 1975 film Picnic at Hanging Rock was built in 1880 by Edmund Bowman Jr. and boasts 32 rooms as well as polo ground, racecourse, boating lake and cricket pitch.

The hall was bequeathed to the University of Adelaide in 1979 and was placed on the South Australian Heritage Register the following year and transferred to the State Government in 1986. The 47 acre property was proclaimed a Conservation Park in 1991.

According to the bill the object of the proposal is “to ensure ongoing effective protection of the heritage values of Martindale Hall while allowing new uses for the property and continued public access to the property”.

The National Trust has launched a petition seeking to keep Martindale Hall for the people (of South Australia).

Latest attempt to change shopping hours falls flat

Treasurer Rob Lucas has once again attempted to change South Australian laws on Retail shopping hours by proposing a Referendum to be held on the same day as the State Election (March 2022).

The move would see South Australian voters put their opinion forward on the proposal which would see retailers have more options regarding when they are allowed to be open (except for Christmas Day, Good Friday and Anzac Day)

The last state referendum in South Australia was in 1991, however, a 1970 referendum on Shop Trading Hours was narrowly defeated.

Treasurer Rob Lucas believes to have the public opinion on side on this issue citing several polls which point to the public wanting the changes. However, with the Opposition and Cross Bench in the Upper House being against the proposal, the referendum is unlikely to take place. While the Labor Party remains opposed to the proposal, they have offered to make some changes that could see trading on Sunday mornings extended.

36th Governor announced

Premier Steven Marshall has announced that Frances Adamson will be South Australia’s new Governor taking over from His Excellency the Honourable Hieu Van Le AC in October this year.

Ms Adamson currently leads the Foreign Affairs and Trade Department and served as Ambassador to China from 2011-2015.

Former Foreign Affairs Minister Julie Bishop and former Liberal Senator Amanda Vanstone were reportedly both offered the job in recent years.

Federal Government Update

Federal 'Big Spend' Budget

Federal Member for Mayo Rebekha Sharkie has welcomed the Federal Budget released in early May, giving it a "B+"

Ms Sharkie highlighted that the government had attempted "to deliver on bushfire and aged care Royal Commission recommendations and promises to veterans but it fails to deliver when it comes to renewable energy, social housing, and an increase to the rent assistance program."

Some of the spending in the Mayo area included a \$5 million commitment to finishing a key upgrade to the Victor Harbor Hospital, \$5 million for a planning study into a freight bypass for the Greater Adelaide area and \$5.4 million for the McLaren Vale recycling plant.

Another big-spend item was the Government's response to the Aged Care Royal Commission. Rebekha said that, "the Government's commitment of \$17.7 billion over five years to the whole-of-government response will not fund implementation of all of the Royal Commission recommendations, but it makes a sound start".

\$4 million went to local road upgrades throughout the Mayo electorate and the budget also included relief measures for local brewing and distilling businesses, something Coastal Views readers may remember Rebekha Sharkie had called for in Parliament in recent months.

Mayo residents are also expected to benefit from income tax and childcare subsidy changes and an additional round of Stronger Communities Programme funding worth \$22.7 million was announced.

Source: Rebekha Sharkie Press Release

Liberals try third attempt to woo Rebekha Sharkie

The Liberals launched a third attempt during May to convince Mayo MP Rebekha Sharkie to re-join the Liberal Party after several key funding promises for Mayo were included in the May Federal Budget.

However, despite the fresh attempts, Ms Sharkie has denied any move to her former party. Key members of the Liberal party in Mayo have also been vocally against any move to return her to the party.

The Federal Division of Mayo has been considered a Liberal stronghold until Ms Sharkie ran against her former boss Jamie Briggs in 2016.

Ms Sharkie has also worked for former Liberal Leader Isobel Redmond and current Child Protection Minister Rachel Sanderson and considered running as the Liberal Candidate in the state seat of Schubert at the 2014 State Election.

Since entering Parliament in 2016 Ms Sharkie has represented the Next Xenophon Team and later the Centre Alliance. Ms Sharkie also handed out for the Australian Democrats.

Ms Sharkie is now one of seven cross-benchers and the sole Centre Alliance representative of the Lower House of Parliament. She is the first female Federal Member for Mayo and won re-election in both 2018 and 2019. It is widely expected that the Prime Minister will call a Federal Election for later this year or early in 2022.

ABRA appreciates the work of all our Elected Politicians and we will continue to work with Ms Sharkie on any Federal issues that impact our community. Ms Sharkie is regularly invited to attend our ABRA meetings, however, we appreciate her busy schedule, covering the needs of the entire Federal Division of Mayo.

ABRA meets with Transport Minister

After a successful public meeting on the proposed Main South Road Duplication, Minister for Transport Corey Wingard and Liberal Candidate for Mawson, Amy Williams met with ABRA President Joshua Reiter to discuss concerns over the project.

While ABRA welcomes the progress of the project ABRA and the Aldinga Bay community continue to feel frustrated after years of silence from the previous Minister and the temporary roundabout on Port Road had not been replaced. Despite promises from both major political parties at the 2018 State Election, no progress has been seen for nearly three years.

The Minister and Amy Williams both listened to the issues concerning the community, the frustration felt due to the options put forward that pitted communities against each other, and the vast majority do not want more roundabouts. Concerns over the number of 'East to West' connections that were being cut as well as Right-Hand Turns were also raised with the Minister and the Department for Transport in a separate meeting.

"ABRA hopes that the Minister will now listen to the community and make the necessary changes to the released drawings to ensure the Main South Road Upgrade is done right the first time," ABRA President Joshua Reiter said.

ABRA continues to proudly support the work of the Main South Road Action Group in its work to advocate for the community on this project. You can keep up to date with their work via their Facebook page www.facebook.com/SeafordtoSellicks

Feedback on the released designs closed in late May, however, ABRA understands that the feedback will now be considered before another set of designs are released. Roadworks are expected to start in the last quarter of 2021 and take roughly two years to complete.

ABRA has asked the Department to provide details of roadworks for future editions of *Coastal Views*.

Noarlunga COVID-19 Vaccination Hub Opened

Premier Steven Marshall opened a new mass vaccination clinic in Noarlunga on the 25th of May, providing access to both Pfizer and AstraZeneca COVID-19 vaccinations for people living and working in the Southern Adelaide region.

The pop-up hub, which was built on the former Master's site next to Colonades shopping centre can take as many as 5,000 vaccination appointments per week, when it reaches capacity.

Photo: Premier Marshall at the opening of the Noarlunga Vaccination Hub

As the COVID-19 outbreak continues, SA Police have undertaken a range of enforcement activities and handed out over 1,100 fines and 2,300 cautions for breaches, with over 329,550 persons checked for compliance and 77,494 businesses.

Recent outbreaks from SA Hotel Quarantine have sparked a new cluster in Victoria as well as caused thousands of South Australian's to undertake 14-days of isolation after a confirmed case visited a footy match in Victoria.

Vaccination hubs are also open in the City and Elizabeth, and the AstraZeneca vaccination can be accessed at many GP's around South Australia.

YourSay: Council transparency Website

Planning and Local Government Minister, Vickie Chapman has proposed a single website to capture information on how South Australia's 68 Councils spend their money.

The website which has been dubbed "Councils in Focus" is being proposed to provide data to the community that is consistent and useful and has been the subject of a close working relationship between the State Government and the Local Government Association.

The Government has proposed information such as the amount spent on Roads, Waste, the Environment, Community Services and Regulatory services amongst others, will be uploaded and available for comparison based on year on year spend or other councils. Councils may be given the option to provide commentary on the figures provided which could be used when making comparisons.

Minister Chapman has said the move "will help you find out what your council is spending money on, where that money comes from and how it contributes to the wellbeing of your community."

The proposal is the latest attempt by the Liberal Marshall Government to reform Local Government and the Government is now seeking feedback on what details should be included in the new website, which is expected to be launched later this year. More information can be found at [here](#) (YourSay website) comments on the proposal are open until July 16th 2021.

Naming options for two parks in Aldinga Beach

Closes 07 June 2021

<https://yoursay.onkaparinga.sa.gov.au/park-naming-options-aldinga-beach>

Editor's Note: In recognition of the significant contribution of the late Kevin Hutton through decades of community service, including for the CFS and the Aldinga Bay Resident's Association (including as past Editor of Coastal Views) Coastal Views is asking that readers complete the above consultation on the naming of the Aldinga Parks, suggesting the name Kevin Hutton be incorporated in the naming of the parks.

We will be unveiling a plaque at Snapper Point on the 6th of June at 2 pm, paying tribute to the community service Kevin contributed. While we would like to see the Snapper Point area named after Kevin, Council has advised that this is not achievable in the short term.

While it is not our first preference, we recognise that this is not currently possible. We will continue to work with the council into the future on this option, but we are also suggesting to readers that the parks listed in the consultation could be named after Kevin now.

Aldinga History

Shop at 15 Old Coach Road

Early photographs of Old Coach Road in Aldinga indicate that this shop has undergone many external changes. The earliest section of the building is discernable by the low scale parapet which projects above the current verandah. The recent brick frontage obscures the original stone and brick wall and the verandah configuration has also been altered

According to Land Titles Records, Mary Edith Cox, wife of saddler Charles Cox, purchased the property (part of section 407) at 15 Old Coach Road, Aldinga for about six years from 9 April 1896 until 1902. She probably had the building built around 1896. Her husband Charles was listed in the Directories as a saddler until 1900 and they may have operated the building as a saddlery/store before that time. Charles and Mary Edith Cox appear to have separated sometime about 1900. In later life she worked as a storekeeper in partnership with her daughter Ivy's husband Norman Cotton as Cotton and Cox in Woodville in the 1920s

In August 1902 Henry Bishop, described as a saddler of Aldinga, purchased the property at 15 Old Coach Road, Aldinga. He operated a saddlery and general harness maker business as well as having side-lines as a paper agent, he sold boots and shoes, new harnesses and general horse requirements. He owned the business for 18 years until July 1920 when he sold it to Charles Robert Brown, farmer of Aldinga. Then in 1924 Arthur Eldred Foremen purchased the property and established a butcher's shop.

Only meat and other goods were sold in the shop as the animals were slaughtered and processed at the main premises of the Foreman butchery in High Street, Willunga. Arthur Foremen operated the butcher's shop in Aldinga from 1924 until 1937. Selina and Stella Goode owned the building for about ten years, then it was subsequently owned by the Independent Order of Rechabites, later it became Aldinga TV and it is now called "The Shack". The shop is on the City of Onkaparinga's local heritage list (#5579).

National Reconciliation Week 2021

“More Than A Word. Reconciliation Takes Action”

Reconciliation Australia’s theme for 2021, More than a word. Reconciliation takes action, urges the reconciliation movement towards braver and more impactful action.

Reconciliation is a journey for all Australians – as individuals, families, communities, organisations and importantly as a nation. At the heart of this journey are relationships between the broader Australian community and Aboriginal and Torres Strait Islander peoples.

We all have a role to play when it comes to reconciliation, and in playing our part we collectively build relationships and communities that value Aboriginal and Torres Strait Islander peoples, histories, cultures, and futures.

2021 marks twenty years of Reconciliation Australia and almost three decades of Australia’s formal reconciliation process.

Find out more about National Reconciliation Week [here](#) #MoreThanAWord #NRW2021

A Brief History

National Reconciliation Week (NRW) started as the Week of Prayer for Reconciliation in 1993 (the International Year of the World’s Indigenous Peoples) and was supported by Australia’s major faith communities. I

n 1996, the Council for Aboriginal Reconciliation launched Australia’s first National Reconciliation Week. In 2001, Reconciliation Australia was established to continue to provide national leadership on reconciliation. In the same year, approximately 300,000 people walked across Sydney Harbour Bridge as part of National Reconciliation Week-and subsequently across bridges in cities and towns-to show their support for reconciliation. Today, National Reconciliation Week is celebrated in workplaces, schools and early learning services, community organisations and groups, and by individuals Australia-wide. Hundreds of NRW events are held each year.

Hot Gospel Groove Choir

St Ann's Jumble Sales are well-known and much anticipated (some visitors come regularly from Elizabeth!) but the May sale was something out of the box!

In addition to the usual variety of stalls, the Devonshire teas, and sausage sizzle, punters were entertained by singing from the Willunga Hot Gospel Groove Choir led by Quentin Evers and his guitar, with a range of songs and styles that had everyone's toes tapping.

Thank you, Choir!

Next Jumble Sale St Ann's, 7 Stonehouse Lane, Aldinga, 18th September.

A big thank you to Anne Chittleborough for her regular updates on St Ann's events.

Anne not only keeps us informed on St Ann's events, she also is a integral part of the ABRA committee, providing us with great information to put in Coastal Views and amazing photos from our meetings and around Aldinga Bay!

WANT TO ADVERTISE YOUR COMMUNITY EVENT IN COASTAL VIEWS?

Send us all the information, including any flyers to coastalviews@abra.org.au by the 25th of the Month and we'll be happy to put it in the next edition for FREE!

We'd also be happy to have a follow up article with photos to share how it went!

St Ann's undergoes Heritage Repair Work

The heritage church of St Ann's, Aldinga is much loved, but has taken a battering from the winds and weather in its 160+ years. The congregation is not going to let it crumble, though, and a team led by Deacon Peter Chapman, who is an Award winning Heritage Restoration Builder, is working on restoring the stonework, using the appropriate mortar for the job. The first day of work was a great success – more to come.

Awesome Foundation

The Awesome Foundation Fleurieu is an international movement in which groups of ten trustees represent a region and provide financial support for local culture, growth and sustainability. Generally, the group meet face to face once per month (last Thursday in the month), with each donating \$100 per month to create a \$1000 stipend.

Applications are submitted via an online platform (www.awesomefoundation.com) with the funds are allocated to a project via majority vote. The applications are short, and once awarded there is little requirement for reporting, ensuring a simple and nimble process supporting grass-roots developments across the Fleurieu Peninsula including Kangaroo Island.

Across the last two years plus 3 months (2021), the Fleurieu Chapter of the Awesome Foundation has given \$24k to a broad array of projects, including, but not limited to:

- A toilet to support a Mother's/Daughter's bush camp
- A culture and Arts program for youth on Kangaroo Island (otherwise to be cancelled due to fires)
- The production and sowing of 10,000 trees post fires
- The inaugural Southern Men's Gathering (Men's health retreat at Normanville)
- Deep Winter Agrarian Gathering
- Fleurieu Leaders Youth Program
- Breakfast Bellies
- Disabled Surfers Association SA

-Ian Renshaw, Dean of the Awesome Foundation, Fleurieu Chapter

A big Thank You to Aldinga's Resident Artist Gabriella Smart for coordinating our new Arts Diary!

'Sustainable Onkaparinga' page launched

Onkaparinga residents have a new community-focused Facebook page to follow with a spotlight on the environment.

The Sustainable Onkaparinga page, launched to coincide with World Environment Day on 5 June, welcomes locals to stay informed, share ideas, learn new skills and spark discussions.

A wide range of topics will be covered on the new Facebook page including how to reduce waste to landfill and recycle right, getting outdoors to conserve and connect with nature, how to get climate ready, tips to reduce energy use and costs, how to be water smart, food and growing tips for your garden, and much more.

In a recent council survey, 81 per cent of the responses from residents advised that the best thing about living in the City of Onkaparinga is the diverse and unique natural environment including its spectacular coastline, flora and fauna.

“Our goal is that the Sustainable Onkaparinga Facebook page will create an online community that helps to reduce our environmental impact and preserve the natural beauty of the Onkaparinga region into the future”, said Environmental Sustainability Officer, Tracy Fulton.

As well as sharing council initiatives, the Sustainable Onkaparinga page will celebrate local environmental champions and advocates including households, businesses, schools, volunteers, and community groups that are doing their bit for the environment.

“We absolutely welcome our community to share their own sustainable tips and success stories”, Tracy continues. “You never know how sharing your story, might inspire someone else to make a difference too!”

Be the first to follow the new Sustainable Onkaparinga page [here](#) to stay up-to-date with content in your Facebook newsfeed. (Note: Page won't be available until June 5th)

Messy Church wins 'Every Generation Award'

Messy Church Willunga received an Intergenerational award this evening as part of the 2021 Every Generation Onkaparinga Awards.

Lois, Jenny, Jani, Charisse & Geoff attended the awards evening and are pictured below with the certificate and beautiful big clock which has the message:

“Family is where our story begins. Messy Church Willunga truly is intergenerational with songs, crafts, food and fun for all ages. We thank everyone involved for their energy and enthusiasm.”

Special thanks to Rev Cogs who was there at the very beginning of Messy Church Willunga and Charisse & Geoff who are such inspirational leaders.

Southern Vales View

by Linda Hooper

At our monthly meeting on Friday 14th May we were treated to a talk by our Vice-President, Kay Scott, who is one of the inaugural members of Southern Vales VIEW. Kay told us about the Japanese students her and late husband Bob have sponsored. This led to an invitation to attend the wedding of one of their Japanese students where they were honoured guests. Kay shared two beautiful photograph albums of their experience. We acknowledged Kay's contribution to Southern Vales VIEW with a round of applause for her dedication to the Club.

For our next meeting on Friday 11th June our guest speaker is Nicki Stuart from H.E.L.P (Human Elephant Learning Program). Nicki resides in the Adelaide Hills and will share her groups work with their programs which currently contributes to the development, welfare and safety of elephant handlers and trainers across India, Laos, Thailand and Myanmar. Nicki has presented on the ABC Landline.

Naomi Robertson is the Early Years Project Officer at The Smith Family Morphett Vale office and will inform us of the work and development programs for the Learning for Life students at our meeting on Friday 9th July. On Friday 13th August we will celebrate our 15th Birthday. Preparations for The Convention being held in Adelaide 10/12th September are all in place and guest speakers have been confirmed as follows – Ita Buttrose, ABC Chair, Tanya Hosch, 2021 SA Australian of the Year, Isobel Marshall, Young SA Australian of the Year, Sophie Thomson, Gardening Australia and Fiona McIntosh, Australian author.

Tuesday, 18th May dawned without a cloud in the sky for our first outing for 2021. Nineteen members enjoyed a lovely cruise on POPEYE with Devonshire Tea, a look around the Festival Centre, followed by lunch at one of the renovated Sky City restaurants. More fun outings are in the pipeline.

Women of all ages are welcome to join us. We sponsor four disadvantaged students through The Smith Family *Learning for Life* programs.

Boy arrested over rock throwing on Expressway

A boy has been arrested following a rock throwing incident on the Southern Expressway on Wednesday night.

About 6.10pm on Wednesday 12 May, a man was driving south along the Southern Expressway approaching the Honeypot Road Bridge at Noarlunga Downs when he heard a loud bang on the roof of his vehicle. The man immediately contacted police who attended and searched the area.

Police reviewed CCTV which captured a person throwing an object onto the expressway.

As a result of investigations, Southern District police arrested a 12-year-old boy over the incident. He was charged with endangering life, throwing a prescribed object and property damage. He was refused bail and appeared in the Adelaide Youth Court.

Wanted man arrested after Aldinga crash

Police have arrested a man following a crash at Aldinga Beach.

About 7.15am on Saturday 15 May, emergency services were called to Main South Road after a stolen Toyota sedan with unassigned plates crashed into a power line, and rolled before bringing the lines down. Witnesses reported seeing a man running away.

Southern patrols, along with police dog PD Jax and PolAir searched the area but did not locate the man at the time. Patrols located a rifle and ammunition buried on a nearby property and believe it is linked to this incident.

Just after 12pm, police were called to Pages Flat Road, where police quickly were on scene arresting the man without incident. He was taken to hospital for a medical assessment.

Main South Road was closed for several hours while SAPN repaired the power-line and police cleared the scene, but it has now been reopened. Crime Scene officers attended and examined the car and the firearm.

The 27-year-old of no fixed address was charged with illegal use of a motor vehicle, drive unlicensed, display unassigned plates and firearms offences. He was refused bail to front the Christies Beach Magistrates Court on Monday.

COVID incident

Victor Harbor Police have arrested two teenage girls missing from Victoria who crossed into South Australia.

About 7.14am on Friday 28 May SAPOL were contacted by Victoria Police, who advised them that the two girls had hitchhiked to South Australia, using several different vehicles to travel in to Goolwa.

The girls then travelled on a school bus from Goolwa with other students to Victor Harbor High School.

The bus was stopped before the students could leave the bus, SAPOL worked with other agencies including SA Health, Victoria Police and Victor Harbor High School to ensure the safety of those on board.

If any person believes they may have given a lift to these two girls please contact SA Police
